Saturday 11th October 2025 – Thornford Village Hall, DT9 6QB

11:00 Arrival and Coffee

11:30 AGM

AGM

The Association has arrived at a watershed. As it stands, the Committee have come to the conclusion that it is time to 'wind up' affairs. That is unless we have a well attended AGM with new volunteers prepared to hold Committee positions to take the Association forward for some more years. This would obviously be great. However I am sure that even if the Association were to cease, affections for our School, informal get togethers and a Fosters' 'community' would continue for many years hence.
